About Us

Welcome to Mupapa Wood a family-run business established 5 years ago, where we craft bespoke pieces from Teak, Mukwa and Rosewood. These are all known for their durability, stunning grain patterns, and rich colour, making them the perfect choice for creating functional and beautiful pieces. Founded with a vision of combining the richness of wood with timeless design, Mupapa Wood has grown into a premier wood manufacturing company. Our journey began with a deep appreciation for the unique character of wood, and that appreciation continues to shape every piece we create. Our team of skilled carpenters bring together a wealth of experience and expertise in woodworking.

Explore our product range in this catalogue or visit our website **www.mupapapwood.com** or give us a call. Each piece is lovingly handcrafted with great care and can often be tailor-made with your specifications, for larger items. To explore pricing and discover customisation possibilities, we invite you to reach out to our dedicated team. We genuinely appreciate your decision to entrust us with your furniture requirements.

A bouquet of yellow and white flowers in a patterned vase on a table in front of a wooden door. The bouquet consists of several stems of yellow flowers with small, round buds, interspersed with white baby's breath flowers. The vase is cylindrical with a black and white geometric pattern. The background is a wooden door with a grid of small, square windows. The table is made of a light-colored, textured material.
